Time to Get Your Boat Ready

Cold weather is finally here, holidays are upon us and it won't be long till it's time to go fishing. Time to get your boat ready for the upcoming fishing season.

There are all sorts of items that you can do to get your boat ready, here a list of items that may need your attention: Charge those batteries, clean the battery connections, tighten down your trolling motor bracket, clean up your bilge, adjust compartment locks, fix trailer lights, pack wheel bearing, tighten motor, jack plate and power pole bolts.

Many angler can handle these items, if you need help getting them done, make a punch list and bring it to us so when the weather breaks your rig to get you ready for you.

Open Houses Planned for Both MARE Inc. Locations

MARE Inc. and MARE of Aquia are both having Open Houses this winter after the successful open house held at MARE of Aquia last year.

The MARE Inc.'s open houses are similar to a customer's appreciation day. It is a relaxed environment with customers, boats and friends. Mare Inc. and their vendors will be providing door prizes, Boat Show incentives, special discounts and drawing for boat purchasers with hot dogs, chips and sodas for attendees.

“Last year everyone had a great time at the Aquia Open House” stated Brian Lancaster, President of MARE Inc.

“It was great seeing so many

customers, the best part was getting to spend time with each of them talking fishing, and boating” he added.

MARE of Aquia's Open House is being held on Saturday

going to be held on February 9th at the Thurmont location located just off Route 15. Again hours will be from 9:00 am till 5:00 pm. We look forward to seeing you there.

Details for both open houses including door prize list and specials will be listed on our web site: mareinc.com and on our Facebook pages: MARE Inc and MARE of Aquia. We will send out email reminders and invitations also.

January 26 at the Frederickburg store on Route 1. The open house will start at 9:00 am and run through 5:00 pm. Hope to see you in January at MARE of Aquia.

The MARE Inc. Open House is

We hope that you will join us at our MARE Inc.'s Open Houses. Come to one or both, we would love to see everyone. We will have a great time looking at new boats and talking fishing.

MARE Inc. Picks Up War Eagle Aluminum Boats

MARE Inc. in Thurmont, MD has picked up and received our first load of War Eagle Aluminum Boats.

War Eagle Boats build a full line of aluminum fishing and hunting boats and are built in Monticello, AR. War Eagle builds a commercial grade aluminum boats and is offering them in many configurations in order to meet their customers specific needs. War Eagle builds the boats the way you want, not like others want them..

We have received our first three boats, 2170 BlackHawk, 860 LDBR and a 754 LDBR all finished in Advantage Max 4 Camo and sitting on Aluminum Trailers. We hope to have War Eagle build the hull for our new Jet Boat.

Stop by MARE Inc. in Thurmont to check out our new War Eagle boats. We also have them on our web site under boat inventory. They are great looking rigs and will handle all your hunting and fishing boat needs.
